Let me know when you're back at work. I'm in the Weston Lakewood office today (Tuesday) and in and out Wednesday. Back in ABQ Thursday late morning.

Thanks for the TDD amendment/setup.

Jan - I amended the TDD. One item that I intended to add was a separate item from the Fld Activity Rpt is a brief tech memo on possible in-situ treatment technologies to consider following plugging and any associated prep. Maybe 20 hrs.

Talk w you later on that. On leave today. Also will get you my edits on the rpt on my return.

Steve
